

## Oxygen generator (PSA plant)

**Application:** Drinking water treatment  
**Problem:** Generation of oxygen as process gas for the ozone system  
**City/Country:** Simbach am Inn/Germany

### Project info:

**Capacity:** 2 x 2,3 Nm<sup>3</sup>/h oxygen (concentration 92%)  
**Number of plants:** 2 x Lines  
**Type:** Hydroxymat 25  
**Year of realisation:** 2019  
**Specialities:** Oxygen production in 2 lines, redundancy
